

We Need to Walk Calmly in the School

1

*When I am walking
in the school,*

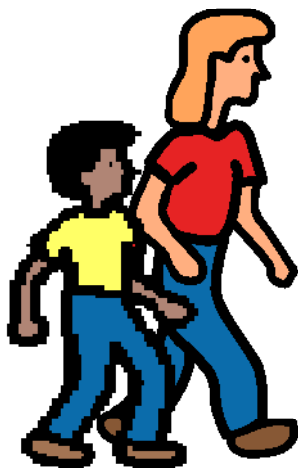

I will take one step at a time.

I will not skip or run.

3

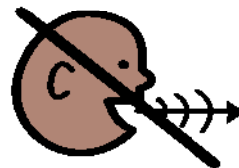

*When I am walking
in the school,*

*I will stay beside an adult.
My hands will be at my sides.*

2

When I am walking the school,

My voice will be quiet.

*Everyone should walk
calmly in the school.*
